

AMAL AL-KALAF

Date of Birth: 1-1-2001 | Location: Damascus | Phone: +963960620027 | Email: amalalkhalaf298@gmail.com

A recent graduate with a degree in Information Technology Engineering, passionate about education and knowledge sharing. Seeking to contribute to an academic environment that fosters growth, innovation, and technical excellence. I aim to combine my engineering background in programming and system development with effective teaching strategies to inspire students and strengthen their analytical and problem-solving skills.

EDUCATION

Faculty of IT Engineering | Homs University (2019- 2024)

❖ Software Engineering & Information Systems | GPA: 84/100

Master of Software Engineering | Damascus University (Currently Enrolled since July 2025)
